Annual Address.

THE STRENGTH AND GROWTH

OF THE ALLIANCE. A Statesman like View of Social and Political Condition.

THE PROBLEM FOR BREAD-

WINNERS TO SOLVE.

BROOKLYN, Aug. 16.—Dr. Talmage been my great pleasure to watch the has returned from his western tour reinvigorated in health and cheered by the rapid development of the principles we have inculcated. On the he has received in the numerous cities 20th of April, 1887, the first Subordihe has visited. Thousands of persons nate, Alliance was organized at Ashwho have read his sermons in their lo-cal newspapers have struggled to get within sound of his voice wherever he within sound of his voice wherever he has spoken. His sermon this week is was such that April 20th, 1889, there has spoken. His sermon this week is on the very common and foolish habit of borrowing money, and his text is Matthew vi, 34, "Sufficient unto the day is the evil thereof."

The life of every man, woman and child is as closely under the divine care as though such person were the only man, woman or child. There are no accidents. As there is a law of storms accidents. As there is a law of storms are such that April 20th, 1889, there was a still further gain, 1890, there was a still further gain, 1890, there was 2,062. On our last anniversary, the ground being effectually covered by the thorough organization of every county, it was not a matter of surprise that the increase was less, showing a total number of 2,221 subordinate organizations with a membership of 100,000. accidents. As there is a law of storms in the natural world, so there is a law of the reports of the Executive

of trouble, a law of disaster, a law of misfortune; but the majority of the misfortune; but the majority of th troubles of life are imaginary and the most of those anticipated never come. State Lecturer, Business Agent and Trustee. I respectfully refer you, asking a careful consideration at At any rate there is no cause of com- your hands. I suggest that the position of the See how much he bath done to make Assistant Lecturer be abolished, as thee happy; his sunshine filling the there is not the necessity for this earth with glory, making rainbow for office since the new plan of lecturing

the storm and halo for the mountain, has become in use in our State. The State Lecturer should be a greenness for the moss, saliron for the cloud and crystal for the billow, and procession of bannered flame through the opening gates of the morning, chaffinches to sing, rivers to glitter, seas to chant, and springs to blossom, and over-

powering all other sounds with its song, Treasurer. A year ago, after my election to and overarching all other splendor with its triumph, covering up all other beauty with its garlands, and outflashing all other thrones with its dominion—decliverance for a lost world through the would recommend it a year hence, which I opposed then but said I would recommend it a year hence, which I provide I think that the I discourse of the sin of borrowing salary should be sufficient to enable the President to give his constant services to the Order. I find that First, such a habit of mind and there are quite a number of appliwrong, because it puts one into cations for aid from members of the

YOU KNOW WHERE THEY STAND

from the editorial correspondence of the News and Observer written by Mr. T. R. Jernigan from Morehead

The farmers and doctors are leaving this morning. Dental and agricultural science have been well represented during the past several days. These representatives have guilty of the blasphemy of asking him make gold more useful in relieving with your windows tight down, or eat the pains of the tooth and the sto- chicken salad at 11 o'clock at night,

The farmers are not satisfied with Be prudent and then be confident. gold alone. They want silver too, some of the siekest people have been and they want both in greater abuntuseful. It was so with Paydance. There is an u compromising son, who died deaths daily, and Robert spirit in the demand they make for the free and unlimited coinage of his sermon, and lie down on the pulpit.

AND

AGRICULTURAL DIGEST, silver and gold. One impression sofa to rest, and then go on again.

Theodore Frelinghuysen had a great then was that they would not sup horror of dying till the time came, and port any candidate for a State or then went peacefully. Take care of National office who was not in full the present, and let the future look out accord with them in their demand for itself. "Sufficient unto the day is of the National Farmers' Alliance of both the precious metals.

Let no one be deceived as to the strength and earnestness of the Alliance movement. Every county has senther delegates to this convention, and every delegate is ready to tell you that he stands equally upon the Ocala platform. No organization could be more alive to whatever it may believe concerns its interests than the representatives of the North Carolina Farmers' Alliance, will bear the iron gate of the sepulches among whom I have spent several creak and grind as it shuts in our kinvery pleasant days here.

The First Step. Perhaps you are run down, can't come, out of breath, into conflict with cat, can't sleep, can't think, can't do anything to your satisfaction, and you wonder what ails you. You ed long before they come under the should heed the warning, you are taking the first step into Nervous Prostration. You need a Nervo Tonic and in Electric Bitters you when they come up they are exhaustnormal, healthy condition. Surprising results follow the use of this Nerve Tonic and Alterative. Your appetite returns, good digostles. will find the exact remedy for reappetite returns, good digestion is restored, and the Liver and Kidneys re-ume healthy action. Try a bottle.
Price 50 cents, at Dr. R. H. Holli-day's Drugstore, C'inton, N.C., and

How Talmage Was Converted.

You can take any man for Christ if you know how to get at him, writes Dr. Talmage in The Ladies' Journal, Truman Osborne, one of the evangelists who went through this country many years ago, had a wonderful art in the right direction. He came to my father's house one day, and while we were all seated in Junior Academic, the room, he said: "Mr. Talmage, Intermediate Academic, . are all your children Christians? Father said: "Yes, all but De Witt." Yesterday afternoon about six o'clock into the fireplace, and began to tell a Then 's ruman Osborne looked down Mr. Thomas M. Britt, who was a chronic story of a storm that came on the sufferer from rheumatism, went to Lee's mountains, and all the sheep were
